

## Death Takes Four Prominent Local Residents In Week

Illnesses Fatal To Four Lake Tahoe, Truckee River Residents

### Mrs. Ida Simmonds

Final rites for one of Tahoe City's best known citizens, Mrs. Ida Frodenberg Simmonds, 82, a resident of this community for the past 30 years, were held Monday at the Truckee Colonial Mortuary with interment in the Tahoe City cemetery.

Mrs. Simmonds was a native of Sweden, born April 8, 1875. She spent nearly all of her life in this country and came to Tahoe with her late husband more than 30 years ago. She took an active part in the community affairs and was loved by a legion of friends.

Rev. Roy S. Rhoades officiated at the rites and Mrs. Rhoades was the soloist and Mrs. Arthur Kehm the organist. Pall bearers were William F. Becholdt, Warren Porter, Jack B. Dunne, John Starratt, Earl Yeager and Ted Gamel.

Mrs. Simmonds is survived by her son, Arthur Frodenberg of Tahoe City, two grandchildren and three great-grandchildren.

### Mrs. Elizabeth Walker

The entire community was saddened Tuesday when Mrs. Elizabeth Carrie Walker, 78, expired after being in ill health for some time. Funeral services were being held this afternoon at two o'clock at the Truckee Colonial Mortuary and the body will be taken to Oakland for interment in the Mountain View mausoleum.

Mrs. Walker had resided at her Truckee River home for the past 21 years or since the death of her late husband, George C. Walker, who died in 1937.

The deceased was widely known for her hospitality and her house was often filled with many friends from near and far.

Mrs. Walker leaves no immediate relatives but is survived by three nephews, Dr. William Crane of Oakland; William A. McDonald and Roderick A. Smith, both of Los Angeles and a niece, Mrs. Jeanne Crane of Reno.

### Y. F. Ball

Funeral rites were held Wednesday at 2 p.m. at Truckee Colonial Mortuary for Ybor Fenton Ball, 56, widely known plumbing contractor of Tahoe City, who expired at his home Saturday at 9:30 p.m. following an extended illness. Burial was in the Tahoe City cemetery.

Ball was a native of Georgia, born August 13, 1901. He had been

## ONLY SMALL AMOUNT OF RAIN RECORDED

Threats and continued predictions of major storms in this area have failed to materialize and for the past week only .60 of an inch of precipitation has been recorded by the U. S. Forest Service, Henry Tocalini reported. This comparatively light rainfall was accompanied by mild temperatures.

The low temperature recorded for the past week was 31 degrees on Monday, the same date the high for the week, 55 degrees, was enjoyed. There were 33 inches of wet snow on the ground yesterday.

## PLACER BOARD WILL SURVEY LAKE LANDS

AUBURN—Placer County's campaign to save public beaches at Lake Tahoe from encroachment by private landowners was renewed here as the board of supervisors voted to negotiate with a private surveyor to survey the beaches.

The campaign was begun last September after the North Tahoe Community Club complained lake front landowners were infringing upon the rights of the general public by taking over public beaches.

"It's about time we stood on our rights up there," said Supervisor L. L. Anderson. "We should hire a surveyor to get the program under way as soon as possible."

Chairman Frank Paoli pointed out some Lake Tahoe residents still are building on county property. "We can't do anything at this time," he declared, "but we want to get ready for Spring."

## VALENTINE LUNCHEON SPONSORED BY CLUB

The St. Valentine luncheon of the Wyethia Women's Club held in the Methodist Church was enjoyed by 38 members and their guests including a number of past presidents who were given a special welcome.

The motif of the day was used in the table and room decor and those receiving first awards during the games were Mrs. William Englehart, Jr., and Mrs. Frank Quilici.

Hostesses for the event were Mesdames Robert Bick, C. E. Allison, Tony Polyanich, Elizabeth Bavier, Charles Heller, Nace Firpo, M. C. King, G. Miller, Eugene Welch, and Fred Pedley.

March 14 is the next meeting date of the group.

## Work Is Started On Boca To Floriston Lateral This Week

District Highway Engineer Alan S. Hart announced Tuesday that construction work has started on the new freeway east of Truckee from near Boca to Floriston on Highway U.S. 40. The work under way at the present time consists of clearing and grubbing.

The 6.6 miles of new highway is being constructed as a joint venture by Isbell Construction Company, Granite Construction Company and Gordon H. Ball of Reno. The construction firms offered a low bid of \$7,325,011.20 for the work in January.

No delay to the traveling public is anticipated as a detour has been constructed to handle traffic through the section where the new and old roads follow the same alignment. The remainder of the route is on new alignment.

The division of highways has established a construction field office for the project at the Truckee maintenance station. K. C. Jones has been assigned as resident engineer for the project. Eleven division of highways personnel are currently assigned with Jones.

However, this number will be increased as the work expands after April 1, Hart stated.

## GIRL SCOUT LEADERS PLAN YEAR'S PROJECT

A meeting of the Truckee neighborhood of the Sierra Nevada Girl Scouts was held at the high school on Tuesday, February 11. The group decided to hold the monthly meetings on the second Tuesday at 7:30 p.m. in the high school.

Discussion was held relative to the fifth and sixth grade intermediate Girl Scouts' participation in the council-wide fair to be held on May 2 and 3 in Fallon. Brownies will be able to attend this event on one day.

Mrs. Erwin Rausser, co-chairman of the council cookie sale, assisted in making preliminary plans for Truckee Girl Scouts to participate in the council-wide cookie sale to be held Mar. 14 through Mar. 23. Mrs. Kenneth Hedlund will serve as the Truckee neighborhood cookie sale chairman.

Miss Grace Donohew, executive director of the council, explained the operation of the Brownie Day Camp in the Reno area. Discussion was held regarding the possibility of having a Truckee neighborhood day camp in this area.

Registration is now open for the 10-week swimming lessons and the 10-week horseback riding lessons. This program is available to all intermediate registered Girl Scouts in the council. All intermediate Girl Scouts interested in either of these activities should contact their leaders for details.

## GOVERNMENT ASKS FOR WASHOE WATER

SACRAMENTO—(CNS)—The state water rights board has taken under submission applications of the U. S. Bureau of Reclamation for 126,000 acre feet of water and 350 cubic second feet a second from the Little Truckee river for its Stampede project.

The multi-purpose dam would be constructed a few miles above Boca.

Applications also had been submitted by the Sierra Pacific Power Company and Washoe County Water Conservation District, both of Nevada. However, the board said both groups informed the board by letter they wished their applications dismissed. The board said no reasons were given for withdrawal of the applications.

### MEETING DATE CHANGED

Due to the absence from town of Manager Cecil Edmunds and some members of the board of directors, the next meeting of the Truckee Public Utility District board has been changed from Thursday, February 27 to Friday, February 21.

### FAILS TO APPEAR

Charles Logsdon, who last week was charged with the beating of Charles Bandur on the sidewalk in front of the Capitol still has not appeared to face the charge, Judge Fosten Wilson reported. In the meantime, Bandur is recovering from the alleged assault.

### LION MEET TO EAT

Richard Walker, area sanitarian, was inducted into the Lions Club at last night's meeting held at Cozzi's where a crabmeat dinner was the big attraction.

Guests included Harold Langille, John Ciardella, Carl Becholdt, Jr., Fosten Wilson and Charles Osburn.

## Wolverines To End Successful Hoop Season This Week

Local Hoopsters Win 12, Lose 4 As Season Nears Close

by JOHN FIRPO

The Tahoe-Truckee Wolverines played the role of giant killer last Friday night as they upset the undefeated Winnemucca Buckaroos 51-46. The Buckaroos had a 9-0 record in conference play coming into the game. Then Saturday the Wolverines took revenge, after a 56-54 setback earlier in the season, by Douglas, by romping to a 73-76 win over the fourth place Tigers. The two victories left the locals with a 7-3 record in conference play and a 12-4 overall record.

Friday, a determined Wolverine squad just couldn't be beaten as the Mountain men rolled up quarter scores of 15-11, 26-26, 40-34, and 51-46. Berger Nelson's field goal and charity throw in the remaining seconds clinched the Wolverine's victory.

High-point man for the evening was center Floyd Cooper with 18 pointers. Berger Nelson was second in scoring with 12.

Saturday, a Wolverine rally in the second half caught the Douglas

## Supervisors Deny Petition Support

NEVADA CITY—A petition containing 120 signatures, a letter and a proposed resolution asking for a physical audit of the books and property of the Truckee Public Utility District was not acted upon by the board of supervisors after advice by William Cassettari, assistant district attorney, that if the petition were valid the people involved should ask for a recall of directors which was a matter for the courts and not the supervisors.

Appearing with the petition and other material was O. I. Gifford of Truckee, who explained that he and the other petitioners felt rates, as compared with Sierra-Pacific Power Company of Reno, excessive and asked physical audit of all properties and funds of the district, claiming that no such audit other than a straight financial one has been made since 1927 when the district was formed.

The petition was verified by the county clerk last September, and from this a technicality has arisen. Gifford claimed that prior to September 10 of last year the date of signatures on a petition was not necessary but a new law of that date made this so.

The petitioners, Gifford stressed, signed the petition prior to September 10 in the form then required by law, but Cassettari said he thought dates were always required.

Gifford said the district directors have been asked to make an audit but have refused to comply. Cassettari said that the legal question is a matter for the courts and if the petitioners find their document good they should ask for a recall rather than come to the supervisors requesting an audit.

## SUCCESS MARKS PTA SCHOLARSHIP PARTY

The Friday evening scholarship fund card party given by members of the High School P.T.A. was a success. Other events to swell the fund will be given, according to Walter Jellin. The organization wishes to thank all those who contributed in any way to the worthwhile project.

## MRS. WHITE INJURED BY PAINFUL FALL

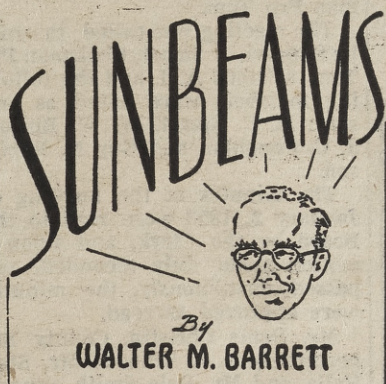

Mrs. C. B. White is now at home with her broken ankle in a cast, following a fall on Valentine's Day, while her husband is also recuperating after his fall 10 days before.

The many friends of the local couple are pleased that they are both on the mend.

## ROTARY WILL NAME NEW OFFICERS SOON

A nominating committee to select new officers for the Truckee Rotary Club was appointed at Monday night's dinner meeting in Donner Lake Lodge. Dick Swanson presided.

Films of the evolution of material handling, from the stone age to the present mechanized methods were shown by Bruno Bellotti.

## Work On Schools Will Start Soon As Plan Approved

Walk At Floriston Is Not Possible For School, Board Advised

A number of important matters, including a discussion of possible legislation to provide for more equitable costs for educating children from outside the state, featured the meeting of the governing board of the Tahoe-Truckee Unified School District Tuesday.

It has been pointed out that currently children from Nevada are being educated in California schools at a cost of only \$10 per month for transportation, with no charge for facilities. Legislation proposed by Al Bequette, superintendent of Placer County Schools, who attended the meeting, would provide for charges for facilities.

Strangely enough, Superintendent John Corbin pointed out, children from outside the district, but who reside in California can be charged for facilities as well as transportation. The out-of-state legislation, Bequette suggested, would be on a reciprocal basis and would apply to all states bordering California.

A discussion also was held in relation to changing the boundaries

## Bill Introduced To Aid Olympic Games

Representative Pat Hillings of California has introduced legislation in the house of representatives to permit the defense department to give its support to the 1960 winter Olympic games in Squaw Valley.

The Hillings' bill authorizes the department to assign military personnel and equipment to help in providing and maintaining facilities for the games.

Hillings, who represents California's 25th Congressional District, is a native of Hobart Mills, Nevada County.

The Hillings' measure also would authorize the department and the secretaries of the army, navy and air force to detail members of the armed forces for the preparation of courses, fields, rinks, maintenance of avalanche control and arrangement of all communications.

Moreover, the bill would clear the way for the defense department to erect the Olympic arena at Squaw Valley at a cost not to exceed \$400,000, Hillings said.

The measure would permit the military to cooperate fully with the organizing committee, VIII Olympic winter games, Squaw Valley, in establishing and maintaining facilities for this world-wide event.

"The successful promotion of the winter Olympic games for Squaw Valley in February, 1960, requires the cooperation of all of us," Hillings said. "I am positive the foreign teams competing in the winter games in the heartland of California will be treated to the warmest hospitality in the west because the Squaw Valley and surrounding area are noted not only for its scenic splendor and enterprise but for friendliness."

Hillings has urged the house armed services committee, to which the measure was referred, for prompt action.

Hillings also predicted that congress will approve the \$4,000,000 that President Eisenhower has requested as the federal government's share in financing the 1960 winter Olympic at Squaw Valley.

### Daughter for Burns

The second daughter and fourth child arrived for Mr. and Mrs. Chet Burns of Truckee on February 16 in Tahoe Forest Hospital. Susan Margaret, as the child was named, was 7 pounds, 5 1/4 ounces at birth.

### BAND TO PERFORM

The Tahoe Truckee High School band will present its last half-time stunt of the current season of basketball Friday at 8:30 in the high school gym. Director Ross Price announced today. The program will consist of an opening display of precision marching by Stan Drackulich's cadet corps drill team and the band, flag-twirlers and drum major will perform.

### In Hospital—

Local patients at Tahoe Forest Hospital this week included Mrs. Gino Giovannoni of Truckee; P. M. Burroughs of Tahoe Vista and Mrs. Asa Abbott of Kings Beach.

## Gail Gordon Will Be Candidate For Administrator Post

Gail Gordon, well known locally and a resident of Nevada County for the past 19 years announced her candidacy for the office of public administrator of Nevada County this week.

Gordon is thoroughly familiar with the whole county, the knowledge gained in his various offices have not confined his interests only to the West End. He was employed by the Idaho-Maryland Mining Company until it closed and in 1942 engaged in construction work, two years later became an officer of the Carpenter's Local and has been the business representative for the District Council of Carpenters for the last four years.

His civic duties have been wide, having been a former member of the board of trustees of the Union Hill School and was in at the start of the Nevada County Development Committee, a forerunner of the Nevada County joint board of carpenters apprenticeship committee since its formation.

At present Gordon is vice chairman of the County Fair Board for the 17th District.

He rounds out his diversified activities as a member of the Grass Valley Chamber of Commerce, the local Masonic Lodge, Ben Ali Shrine. Gordon has been a Chapter Dad for the DeMolay Lodge and is now in the capacity of an advisor for the organization.

The two married sons of Gordon and Mrs. Gordon received their schooling at their home city and reside in the capital.

## SPORTS WRITERS IN SQUAW VALLEY VISIT

A bus load of Reno sports writers and broadcasters, headed by Jack Geyer, public relations director for the organizing committee of the VIII Olympic Winter games, made an inspection trip to Squaw Valley where the games are scheduled in 1960.

The group viewed briefly the efforts of a crew of navy engineers in a project compacting the slushy, rain-soaked snow in the valley for possible vehicular parking during the games.

Monday members of the transportation committee of the organizing group are scheduled to visit the valley to scan the proposed unique parking plan.

## SUGAR BOWL SKIERS RANK HIGH IN MEET

SUGAR BOWL—The Sugar Bowl Ski Club juniors participating in last week's junior point race at Yosemite turned in excellent records.

Starr Walton won the event in class II, being first in the downhill, slalom and combined. Mary Helen Reich in class I was first in the slalom and combined and sixth in the downhill. Parsy Nast was first in class I downhill and Chris O'Feger was first in the class III combined, and second in both the downhill and slalom.

## JOSEPH COTTAGE ON FLAT UP FOR SALE

Sealed bids will be received by the division of highways for a cabin with attached porch located on Cox-Delaney Flat road .6 mile north of Highway U.S. 40, it was announced in Marysville today. The cabin site is approximately 2 1/2 miles east of Boca, and was formerly owned by Roxie Archie. District Highway Engineer Alan S. Hart said the bids must reach the District III office in Marysville prior to 10 a.m. on March 28.

The structure, which is on the right-of-way purchased for the Boca to Floriston freeway, must be removed from the state property within 60 days of notice to the successful bidder.

Hart said that all bids must be accompanied by a certified or cashier's check payable to the "Division of Highways" for the full amount of the bid if it is less than \$100.

If the bid exceeds this amount a deposit of 25 percent of the bid, and in no case less than \$100 must accompany the bid. Sales tax must be included in the sale price if the items are not purchased for resale. All envelopes should be marked "R/W Bid for Improvements to Be Opened 10 a.m. March 28, 1958."

The property will be shown by a representative of the right-of-way department of District III from 10 a.m. to noon on March 20.

### A Day To Remember—

Next Sunday E. A. Parker will observe his natal date with his wife and friends.

## Official Tells Plan Of State To Spend \$31 Million Here

Hart Estimates 1,000 To Be Employed On Five Projects Here

The State of California will spend \$31,000,000 on new highways in the immediate vicinity of Truckee during the next two years and upward of 1000 men will be employed on the five freeway projects.

This was revealed at a luncheon meeting of the Truckee Chamber of Commerce Friday at Smart's by Alan S. Hart, of Marysville, district engineer for the division of highways.

Hart was the principal speaker at the meeting attended by nearly 100 business people from the area. Also present to speak briefly on other proposed highway projects, including the Brockway cutoff, was State Senator Harold T. Johnson of Roseville, who was accompanied by Louis Spitz of Reno, housing director for the California Olympic Committee.

Hart said that four local projects—Hampshire Rocks to Soda Springs, Donner Lake to Boca, Boca to Floriston and Floriston to the Nevada Stateline—have been contracted for and in some instances construction started. The fifth project—Tahoe-Truckee—Wye to the entrance of Squaw Valley is ready for advertising and should be started this summer, Hart declared.

As a result of the highway work, Hart estimated, the population of Truckee and vicinity will more than double for two years. He emphasized the fact that nearly all businesses in the area will be materially benefited, if provision is made for the influx of workers and their families.

There will be between 80 and 100 state engineers alone working on the projects, Hart declared.

If problems arise, Hart said, local people should contact the resident engineers assigned to the various projects. These engineers were present at the meeting and introduced by Hart. John Peterson will continue to be the engineer in charge of the Floriston to Nevada Stateline project, which is scheduled for completion by early September.

K. C. Jones will be the resident engineer on the Boca to Floriston project and William Green will be in charge of the Donner Lake to Boca job. On Donner Summit, Lee Hawks will be the state's engineer on the Hampshire Rocks to Soda Springs project. All of these men will be available at all times, Hart declared, to handle local questions which might arise.

Donald McCullem will be the state engineer in charge of all the projects in the vicinity.

Completion of the projects on Highway 40 is expected by the fall of 1959. Only two sections between Auburn and the stateline will be incomplete as freeways by that time. Plans have not yet been readied for the Hampshire Rocks to Monte Vista nor from Soda Springs to Donner Lake.

No roadside businesses will be permitted, Hart said, in answer to a question regarding fencing and establishment of new businesses

## INSURANCE OFFICIAL TO ADDRESS CLUB

Perry H. Taft, who has been associated with the Association of Casualty and Surety Companies since 1948, serving the Pacific Coast manager, will be the guest speaker at Rotary's meeting of the Truckee Rotary Club.

Taft, a graduate of the University of California at Los Angeles, received his law degree at George Washington University in Washington, D.C., in 1940 and was admitted to the California bar the following year. He served with the U. S. Department of Justice and as deputy attorney general of California.

He is well known as a speaker before insurance groups and bar associations in western states and has an interesting message.

Fosten W. Wilson will be the program chairman at Monday's dinner meeting at Donner Lake Lodge.

## PTA PIE, CAKE SALE NEXT SATURDAY

A pie and cake sale will be held Saturday, February 22 at Z Market at Gateway Shopping Center by members of the Truckee elementary school P.T.A.

The tasty home-made desserts will go on sale at 10 a.m. and continue until the supply is sold.

## SCHOOLS MENU WILL BE PUBLISHED IN SUN

For the benefit of parents and students in the various schools of the Tahoe Truckee Unified District, an addition to the school news will be the weekly luncheon menu. The same menu is used in all the schools, Superintendent John Corbin declared and its publication will provide the parents and students this information.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Regular meeting, Monday, February 3, 1958.

Present: John T. Trauner, Clerk; Wm. J. Cassettari, Chief Deputy District Attorney.

The Clerk of the Board notified the members present that Supervisor Henry Loehr had, by telephone, notified the said Clerk that he would not be able to attend this meeting because of the closing of Highway 40. It was the unanimous opinion that Mosco F. Smart be, and he was, appointed as Chairman Pro Tem.

The meeting was called to order by Supervisor Smart, Chairman Pro Tem, at 10:05 A.M. and the following members were noted as present: M. F. Smart, W. W. Bishop, J. C. Coughlan and Guy N. Robinson.

The minutes of the meeting of January 2, 1958 were read to the Board by the Clerk, and upon a motion made, duly seconded, and passed unanimously, the minutes were approved as read.

Mr. Denis Christin, County Superintendent of Schools, Mr. Stan Halls, and Mr. Dale Smith appeared before the Board relative to a

Lease on the Masonic Hall Association in Nevada City for space for the Superintendent's office. A Lease was presented to the Board of Supervisors by Robert Schiffer, representing the Masonic Hall Association, and was read to the Board by the Clerk. After a discussion, a motion was made by Supervisor Bishop, seconded by Supervisor Robinson, to enter into the Lease agreement with the Masonic Hall Association. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, aye.  
Supervisor Second District, aye.  
Supervisor Third District, no.  
Supervisor Fourth District, absent.

Mr. Harold Cox, Sanitarian, appeared before the Board and requested authority be granted to the Health Department to have a map drawn of the Hills Flat and adjacent areas preliminary to a sanitary survey. After a short discussion, a motion was made by Supervisor Bishop, duly seconded, and passed unanimously, directing Mr. Joseph O'Connor, County Surveyor, to prepare a map according to the specifications of the Health Department.

Mr. Charles Kitts, County Assessor, appeared before the Board and requested permission be granted to the Assessor and two deputies to attend a conference in Sacramento on February 5th-7th. A motion to that effect was made by Supervisor Robinson, duly seconded, and passed unanimously.

Mr. Richard McGuire appeared before the Board and gave a presentation on the instituting of the parceling system in Nevada County. After a short discussion, the matter was deferred until February 13, 1958.

At the request of the County Assessor, and upon a motion made by Supervisor Bishop, duly seconded, and passed unanimously, certain tax assessments were cancelled on the Unsecured Assessment Roll.

Mr. Stan Halls, Chairman of the Building Committee, appeared before the Board and gave a report on the activities of the Committee to-date, and also a written report on the activities of the Committee to-date, and also a written report. A motion was made by Supervisor Smart, duly seconded, and passed unanimously, directing the Clerk to write to the Committee the Board's gratitude for the job the Committee has done.

Mr. Val D. and Mrs. Lilly Belle Baima appeared before the Board and gave a short dissertation on taxes and how they affect the Northern California Republic.

The Board scrutinized the following claims and allowed them for payment:

GENERAL FUND  
No. 1675 to No. 1864.....\$14,018.22  
SALARY FUND  
No. 2361 to No. 2566.....\$56,522.44

No. 432 to No. 495.....\$18,401.56

At this time the Board adjourned for lunch to reconvene at 1:30 P.M.

**AFTERNOON SESSION**  
The Board was called to order by the Chairman Pro Tem at 1:31 P.M.

The Auditor rendered the monthly fund balance report, and upon a motion made, duly seconded, and passed unanimously, the report was approved as rendered.

A Mr. Shields, representing Placer County Title Company, appeared before the Board and made a presentation on the commencing of a new title company in the County. The matter was deferred for further study by the Board.

A demand of Robert Gillette for the sum of \$10,000.00 for an alleged false arrest against the Sheriff of Nevada County was presented to the Board by the Clerk. Upon the advice of the District Attorney, William Cassettari, a motion was made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, to reject the aforesaid claim.

Upon the recommendation of Mr. Cassettari, and upon a motion made by Supervisor Bishop, duly seconded, and passed unanimously, an Agreement was entered into with the City of Grass Valley relative to the assessing of, and collecting of, the taxes for the City of Grass Valley.

At the request of John T. Trauner, County Clerk, and upon a motion made by Supervisor Robinson, duly seconded, a Resolution calling for an election of the proposed Truckee-Tahoe Airport District was adopted. Upon a roll call ballot, a unanimous vote was recorded.

A Mr. Jacobus of Stocks Realty Company appeared before the Board and requested that the County give consideration to selling the driveway on the South side of the Veterans Building in Grass Valley. The matter was deferred.

The Chairman Pro Tem of the Board announced that Supervisor Bishop had been appointed on the Recreation Committee of the Mother Lode Supervisors' Association.

A motion was made by Supervisor Coughlan, duly seconded, and passed unanimously, directing the Clerk to publish the proceedings of the Board of Supervisors for the month of February, 1958, in the Sierra Sun.

Mr. Max Williamson, Mr. Dennis Jones and Mr. Elmo Moriano appeared before the Board as a delegation of citizens from the Soda Springs area relative to removing the snow on a County road in that area. After a short discussion, the matter was deferred until the Road Commissioner could be present.

At this time Mr. Robert Graham, Road Commissioner, appeared before the Board and rendered the road report for the month of January, 1958.

At the request of the Road Commissioner, and upon a motion made by Supervisor Coughlan, seconded by Supervisor Robinson, and passed unanimously, the Chairman Pro Tem was authorized to sign a Lease purchase agreement for a 1958 International Pickup.

Mr. Graham gave a report on the snow removal problem at Soda Springs and a general discussion ensued with the delegation from Soda Springs. A motion was made by Supervisor Bishop authorizing the Road Commissioner to hire a Mr. Parsons to remove the snow in that area. The motion died for the lack of a second. After further discussion, it was determined that the Road Commissioner had the necessary authority and would work with the people from the Soda Springs area toward an equitable solution for the removal of snow in that area.

Supervisor Robinson announced to the Board that he had appointed Mr. Dale Smith to the County Board of Trade representing the Fourth District.

Supervisor Smart announced to the Board that he had appointed Mr. C. A. Shirley to the County Board of Trade as a representative

of the First District.

At this time, the Clerk read the proposed Ordinance No. 217 relative to the elected officials' salaries, and after reading a short discussion ensued and a motion was made by Supervisor Robinson that the Ordinance as proposed be amended. There was no second to the motion and the motion died.

A motion was then made by Supervisor Bishop, seconded by Supervisor Coughlan, that Ordinance No. 217 be adopted as read. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, aye.  
Supervisor Second District, aye.  
Supervisor Third District, aye.  
Supervisor Fourth District, no.  
Supervisor Fifth District, absent.

At this time the Purchasing Agent appeared before the Board and gave bids on roof repair at the Courthouse. After a short discussion, the bids were deferred until a later date.

Mrs. Margery Worth, Welfare Director, appeared before the Board and rendered the Welfare Department report for the month of January, 1958. A motion was made, duly seconded, and passed unanimously, approving the report.

A Mr. Purley, a representative of California Physicians' Service, appeared before the Board and spoke to the Board on the feasibility of retaining the contract with C.P.S. toward the furnishing of administrative procedures for the medical care program.

Mr. Henderson, area supervisor for the Department of Social Welfare, also spoke to the Board relative to the program, and Mrs. Worth spoke to the Board relative to the termination of the program. It was decided by the Board that there should be a Welfare Committee meeting before the next Board meeting, and the matter should be taken up again at that time.

There being no further business to come before the Board at this time, a motion was made, duly seconded, and passed unanimously, to adjourn to meet again on February 13, 1958 at 10:00 o'clock A.M. thereof.

## STRICTLY STRICKLAND

By Bill Strickland

For the past several years a lot of interest has been evinced in young junior ski racers and of their potential for going on to championships and fame as senior competitors. Some of them have done well, others have kind of gotten lost in the shuffle.

Many people are firmly convinced that the U.S.A. has the material for Winter Olympic championships, as well as those in other related sports. Our baseball, basketball, track and field, rowing, or boxing, track and ice hockey and figure skaters have excelled for many years and in many Olympic competitions. Primarily they were successful because major high schools and colleges encouraged them, supplied them with the necessary training aids, coaching,

and inter-school competitions.

Is it too far fetched to anticipate a school along the same lines for the Nordic and Alpine events for which so many young men and women wish for, but which, so far, has not been available to them?

Right here in our own FWSA division in Nevada and California are 40 outstanding prospects for Olympic team berths. The complete needs for Olympic team training are many—none of these outstanding candidates could possibly afford them as individuals; but, with an assist from winter training school, they all could afford it.

The Olympic commission is building a beautiful ship at a cost of \$12,000,000. A winter Olympic training school would supply a trained team to man it.

Alex Cushing states in the Saturday Evening Post article, February 22 issue, "Cushing felt that although he could do nothing to improve the skill of our winter sports athletes, he at least could arrange for them to lose on their own soil." A winter sports training school would make possible a chance for our winter sports athletes to win on their own soil.

A winter Olympic training school

committee has been formed.

This committee proposes a winter Olympic training school.

School to be licensed by the state in which it is operated.

School to be underwritten by organized ski groups or interested individuals.

School will be open to the west's Olympic potentials.

Students to receive training conducted by qualified coaches and instructors in downhill, slalom, giant slalom, cross country and jumping.

A complete physical conditioning course to be part of the training with all conceivable training aids. School to provide room, meals, equipment, lifts, transportation and all other incidentals necessary in the conduct of a successful training program.

School to operate the same as high school and colleges.

Attuition fee for each student will be charged. This fee will help to make the school self sustaining with a minimum of aid required from the underwriters.

For those students of outstanding ability but without the necessary tuition fee, credit would be extended and repayment made at

a later date.

Any student who withdraws or disqualifies himself by breaking training or insubordination would forfeit his tuition. The above, of course, would be very carefully considered by a competent, unbiased committee.

Because many of the young men and women will be trying or wanting to gain an education, provisions will also include the academic courses required by high schools and colleges along with the physical training as well as the Alpine and Nordic program.

A complete and now operating training site has already been found that will provide everything necessary for success. All that remains is an adequate financing plan.

If you'd like to take part in this program, a letter of expression would be greatly appreciated. Contact: the Winter Olympic Training School Committee, Hotel Mapes, Reno, Nev.

## Tahoe Truckee School News

**KINGS BEACH SCHOOL**  
KINDERGARTEN: We have been preparing for our Valentine party held on Friday.

Barbie Hall was 6 years old on February 11.

FIRST: We are getting ready for our Valentine party. We wish to thank our room mothers for helping us. Lyle Draney has been ill. All his classmates miss him.

SECOND-THIRD: Thursday, the first meeting of the student body court was held under the chairmanship of Marty Mack, vice-president of the student body. Discipline in the halls was the main order of business. The court ordered privileges taken away from the children who disobeyed rules of discipline in the hallways. The court consist of: Arthur Waddell,

Wendy Boatman, Kenny Plemens, Kim Molsberry, Steven Felte, Phil Thompson and Marty Mack. Mrs. Katherine Wing is our student advisor. Kim Molsberry is the secretary for the group.

THIRD-FOURTH: We saw two science movies, "What Makes Day and Night" and "The Earth Movements." Our Valentine party was held on Friday.

We wish to thank our room mothers who made our party a success.

FIFTH-SIXTH: We recently completed a series of round table discussions on "Travel in Outer Space." We are now doing more research on factual material about planets.

### TAHOE LAKE SCHOOL

KINDERGARTEN: Tahoe Lake kindergartens had a Valentine party Friday complete with decorated Valentine cake, cookies and milk, and Valentine suckers to take home.

FIRST-SECOND: In the second grade speed and accuracy test this week in arithmetic Mike Dempsey was first; Gary Albin, second and Erik Henrikson, third. In spelling all these people made 100 percent. Erik Henrikson, Karen Meixner, Tommy Carnell, Tommy Hoff, Jim Caulkett and Gary Albin. We also had a reading vocabulary test in which Erik Henrikson, Tommy Hoff, and Jim Caulkett made no mistakes.

In first grade this week we have learned our number combinations up to five. We have used our clay for counting and showing how to put combinations together.

SECOND-THIRD: The second and third grades studied the most important points and events of the life of Abraham Lincoln. Outstanding stories from memory were written. The stories most original in composition were those of Ann Marie Connors, Erine Marier, Kathy Barrett and Vicki Jones, all

H. D. THOREAU (left), executive secretary of the California Olympic Commission, received the key to the City of Reno from MAYOR LEN HARRIS, of Reno, at the 55th annual dinner of the Reno Chamber of Commerce. Reports of progress made and how the plans for the VIII Olympiad at Squaw Valley should be completed by 1957, featured the address of the speaker, who said that in the ten days from Lincoln's Birthday to Washington's Birthday in 1960, the Tahoe-Truckee-Reno area may expect 325,000 visitors.

of whom selected their own material to outline the most important parts of Lincoln's life story.

FOURTH: During the week we welcomed two new students, Kristin Meixner and Jeffrey Sutton, into our class.

We wish to thank the mothers who helped us with our Valentine's Day party. Mrs. John Palmer and Mrs. John Anderson each contributed a cake and helped serve refreshments during the party. Mrs. Richard Sprague and Mrs. William

Connors supplied cakes.

FIFTH-SIXTH: Many Kings Beach residents watched their elementary basketball team soundly thrash the unpracticed Tahoe Lake fifth and sixth grade boys.

Although beaten in all three games, the Tahoe Lake crew finally learned the rules of the sport after the second game and fought with high courage in the third.

The Kings Beach team is under the direction of Mr. Charles Mack, principal. He is to be congratulated upon the fine sportsmanship shown by his team.

### TRUCKEE ELEMENTARY

KINDERGARTEN: This week we dramatized the story of St. Valentine. Tim Mosby played the part of Mr. Valentine. Mark Manley was the jealous king who had Mr. Valentine imprisoned. Larry Dayle and Chris Ellis were the king's guards. Byron Johnston was the new king who released Mr. Valentine. The rest of the class were the kind villagers who stealthily befriended Valentine while he was in prison.

FIRST: The first grade enjoyed a very nice Valentine party. We would like to thank Mrs. Lorrin McFarland room mother in charge of the party, assisted by Mrs. Delisle, Mrs. Randall, Mrs. Forrester and Mrs. Boyer.

FIRST-SECOND: Class officers for February are: First grade, President, Jacky Mitchell; vice-president, Bruce Leamon; Second: President, Karel Sauby; vice-president, Elgin Johnston.

Linda Russell told about her trip to Death Valley and Jennifer O'Beir about her's to Santa Rosa. Mrs. Elgin Johnston served refreshments to both classes at our Valentine party. We wish to thank her and also Mrs. Walter Jellin, Mrs. Reg Smart and Mrs. Ismal Mitchell for sending cookies and cake.

SECOND-THIRD: In our spelling match Ronnie Walker's team won. Those left standing at the end of the match on his team were Bill Rose, John McGlade, Bruce Ayala, Darlene Doolittle, Bobby Goldsmith, Barry Waters, John Clark and Ronnie Walker. Those standing at the end of the match on Pamela Horman's opposing team were Dennis Crandall, Marion Ayala, Diane Daly, Mary Ann Moore, Darlynn Ingalls and Pamela Horman.

Mary Ann Moore brought an interesting story about Abraham Lincoln.

We are very sorry that Susan Schuler has been sick.

We had a pleasant Valentine party and are grateful to Mrs. Waters, Mrs. Goldsmith, Mrs. Clark and Mrs. Harris who served refreshments.

THIRD: Our best spellers this week: Bill Waters, Dennis Richards, Gail Englehart, Heidi Euer, John Collier, Jonny Hiatt, Kathryn Braasch, Lucille Knauss, Mary Braley, Rhonda Manley, Russ Glenn. The new class president is Gail Englehart. The vice-president is Russell Glenn.

Tim McLane is back after a long absence due to his cold.

FOURTH: The fourth grade accomplishments in the field of social studies were at a high peak. A holiday, Valentine's Day party ski program.

In spelling Lorraine Davis, Dave Douglas, and John Sturcke achieved outstanding grades. In arithmetic "Candy" Hamilton received the highest grade in the review of the multiplication. We certainly enjoyed the Valentine party for which we wish to thank Mrs. Saarni and Mrs. Borden, the mothers of the day.

FIFTH: The fifth grade was hostess to the sixth grade for the St. Valentine's dance Friday, February 14.

Mrs. Mary King, Mrs. Elsie Gray, Mrs. Roy Harris and Mrs. Robert Leamon, our room mothers, brought refreshments.

In social studies we have been studying about the North Central states.

Linda Banyard gave a report on her trip to Washington, California.

Greg York gave a report on his trip to Death Valley, and Marcia Leamon made a report on her trip to Carson City.

SIXTH: Kary Keilhofer and Rob-

## Donner Race Will Be Run In March

SODA SPRINGS—The Donner Summit area announces that the Donner Trail Memorial race will be revived on March 29 after an interlude of two years, according to Fran Couillard, of Donner Summit Lodge, race chairman.

The original marathon started in 1949, was the Donner area's contribution to the celebration of California centennial program—suggested by Cam Rounage of Auburn—son of a California pioneer. The course from Donner Summit to Emigrant Gap, a run of 26 miles, is the longest marathon course in America and has been a gruelling challenge to cross-country enthusiasts who have traveled to the area to participate from Sweden, Norway, Finland, Alaska, Turkey and Canada.

Thus far over 500 racers have accepted the tortuous taunt of the course that follows the old pioneer trail of the ill-fated Donner party. Cross country enthusiasts from 6 to 75 years of age, including many women, have participated.

Starting at the Summit—an elevation of 7135 feet on U.S. 40 the trail will follow as closely as practicable the newly laid course of the Sierra pipe line which was completed through the area last summer and fall. This clearing of approximately 12 feet in width will eliminate many of the former hazards of the original trail.

Juniors—those under 18 years of age—are permitted to run but three miles of the course—that section of the race from the Summit, following the snow sheds to Soda Springs. Men over 18 will be registered in interscholastic, foreign, class A, open and veterans classes according to qualification. Women contestants (over 18) will enter the course at Rainbow Tavern and race to the completion line at Rancho Sierra, Emigrant Gap.

Applications are now available and may be secured by writing to Fran Couillard, race chairman, Donner Summit Lodge, Soda Springs, or to District Ranger Paul Madden, Big Bend District, United States Forest Service, Soda Springs.

Vista Point in Marin County at the approach of the Golden Gate Bridge affords an unparalleled panoramic view of San Francisco and the bay region.

The 1954 National Wool Act provides for a direct subsidy to the grower when wool prices for the season are below support level.

his Kaspian spent part of their holiday, Lincoln's birthday, decorating a Valentine box for the classroom. The class gave them a note of thanks.

Jim Randall, Bonnie Fair, Candy Young, Richard Sorani, Susanne Sciutto and Leilani Braasch received 100 percent in the arithmetic review test on Friday.

### SCHOOL DISTRICT MENU Through February 28, 1958

Friday, February 21: Tuna chowder, green salad, cherry blossom tart, milk.

Monday, February 24: Meat loaf, green salad, buttered peas, one-half orange, milk.

Tuesday, February 25: Meat and vegetable pie, green salad, apple sauce, milk.

Wednesday, February 26: Beans, cabbage salad, buttered carrots, cornbread, milk.

Thursday, February 27: Carrot sticks, buttered corn, cherry cobbler, milk.

Friday, February 28: Macaroni with tomato sauce, celery sticks with peanut butter, cheese sandwich, fruit jello, milk.

## TNT Tidings

by NANCY WATTS

On Saturday, some of the Wolverettes plan on attending a basketball clinic. Held in Chico, it will be attended by several other northern California schools. The girls planning to go include Joann Wray, Judy Hastain, Dorothea Frey, Judy Vaughan, Luisa Sciutto, Sharon Bechdolt, Janice Gray, and Shelia Fanger. Mr. Price and Mr. Trask will act as chauffeurs, while Mrs. Price will chaperon.

The Tahoe-Truckee ski team will sponsor a meet this weekend at Cisco Grove on Donner Summit. Here's hoping TNT will come out on top!

We will have a rally tomorrow for the purpose of raising the school's spirit. The two games this weekend, with Manogue and Stewart, will be our last of the season. Let's all go and show them how much spirit we really have!

Several students at TNT are participating in the annual Lions Club student speakers' contest. The topic for this year is "Community Service—A Way of Life." Trying out for honors in the competition are Varian Frey, Bob Williams, Larry Jellin, Dean Beyer, Marilyn Plavel, Allan Young, Luisa Sciutto, Tim Ridsen, Beverly Gunkel, Nancy Watts, and Cynthia Reynolds.

The senior class won the "Save the Children Bundles Week" contest by accumulating the most useable clothes, measured by weight. Because of this, the class will be

## ANOTHER RECIPROCAL SUPPORT SUIT FILED

Another filing of a uniform reciprocal enforcement of support act which allows another state to collect and pay to the wife or ex-wife support for children in lieu of returning the defendant to the county in which a complaint is filed has been made in Nevada County Superior Court.

This one is by the State of Nevada for Pauline Moreno against Flavio Moreno of Truckee and asks support of three minor children. The complaint charges Moreno has refused to pay support since last August 9. Mrs. Moreno is a resident of Reno.

**TRUCKS OF MANY TALENTS**—how they help us do a more efficient job in bringing you good telephone service

Behind your phone calls roll a host of trucks. Special telephone trucks. Their job: To save phone men valuable working hours as they expand and improve your service. In the top picture are two of the dozens of different kinds of phone trucks you might see any day in your town. A ladder truck, front, easily helps a phone man like Jim O'Neill put the

finishing touches on a new overhead cable. Or the huge straddle truck behind it helps us shift heavy cable reels as if they were doughnuts. These trucks of many talents do big jobs faster than ever before. They do them better than ever before. All told, they help us do a more efficient job in bringing you the good phone service you've come to expect.

## NEWS NOTES FROM TAHOE

by MYRTLE CARNELL

### Choir Meets

The newly formed Junior Choir of the Corpus Christi Catholic Church met for its first meeting last Friday night, and there were about fourteen youngsters present, their age groups ranging from the second to the sixth grades. If any of you mothers should hear your children speaking in Latin for the next six weeks or so don't be surprised, as the children are learning the words and music for the Latin hymns used for the benediction, and I might add that they are picking up the Latin faster than we adults ever would. The group, under the direction of Mazie Carnell and Pat Vanni, will be meeting every Friday night at 7:30. It's still not too late for your child to participate, but you should start this next Friday at the latest as the hymns are being prepared for Easter Mass.

### Calendar Of Events

The art group which met last Tuesday night has selected Tuesdays as their meeting day and will meet at Mr. Beardsley's real estate office at the Y by the bridge. Anyone having a desire to use his creative talents, contact Lillian Farr and she will fill you in on all details. It sounds like fun and a good way to enjoy our beautiful but sometimes long winters.

Wednesday, 19-choir practice was held at 7:30.

Friday—at 6:30 there will be a potluck dinner for the church congregation, just bring your family and utensils. The dinner is given in honor of Washington's Birthday, who was senior warden for his lifetime. In charge of the preparations and many details is Mrs. Phillip Howard. Family activities are not only fun but act as excellent cement for family relations. On Saturday the 22nd at 8:30 a.m. Holy Communion will be held with the Rev. Mr. Ashbee officiating. On Saturday evening at 7 a meeting of the newly formed boys tumbling team will be held with Mr. Phillip Howard in charge. Sunday school is at 9:45 at the Community Center and morning prayer at 11 at the St. Nicholas Mission. The Girls' Friendly Society now number 14 girls and the Acolytes also have 14 members and are being supervised by Mrs. Jack Stowe.

### Rotary

A meeting of the Tahoe City Rotary was held Tuesday February 11 with the guest speaker, Bill Bien, the public relation-publicity man of the Lake Tahoe Sierra Chamber of Commerce, giving a very interesting talk on what the chamber has done in the past and what it is trying to do. He also asked that the chamber be supported by the businessmen of the community. A very delicious barbecued spare ribs dinner was served by the Tahoe Inn, and was enjoyed by all. I would like to add a footnote here as to the merits of our chamber of commerce, it has worked very hard for this community and against all kinds of odds and with not half the support it should have. You owe it to yourself and your community to support them. It is your chamber of commerce and cannot function properly without the backing of everyone.

### Department Meets

There is going to be a hot time in the old town come St. Patrick's

night—the night of the annual fireman's ball. A meeting was held Thursday evening by the fire department to organize and appoint the committees for the dance. Tickets will soon be out and everyone should purchase at least one as this money is used to buy needed equipment to make this a better and more efficient fire department. You get two benefits for the price of one ticket—a terrific time and a safer community.

### Health Board Meets

Marie Henry attended an important meeting of the Placer County Board of Health in Auburn Sunday night. The meeting was held especially to re-organize and cut down on the members of the board. Dr. White, director, presided. On the board are: Dr. Bullock of Auburn; Dr. Smith of Colfax; Dr. Rueter of Roseville; Rex Lewis of Meadow Vista, Helen Bennett of Auburn; James Ford of Roseville and Marie Henry of Tahoe City. The only member of the old board re-appointed were James Ford and Marie Henry who have been on the board since it was first organized some 10 years ago.

Dr. Rueter was made chairman of the re-organized board of health. The mandatory order of December 2 was discussed. This was an order that all dogs in Placer County must be vaccinated against rabies. For further information on this ruling contact Marie Henry.

### Deaths

Mr. Charles Donaldson, father of Wesley Donaldson of Tahoe City passed away last Thursday night. Wes flew down for his father's funeral. Mr. Donaldson who resided in Baldwin Park, Calif., was 94 years of age.

Mr. Fenton Ball, who has resided in Tahoe City for the past 10 years, died in the early hours of the morning on Sunday, February 16. His funeral was held on Wednesday the 19th and he was buried at the Tahoe City cemetery. Mr. Ball was in the plumbing business and was well liked by all that knew him.

Of sad news to all of the residents of this area was the passing of Mrs. Ida Simmonds on Friday morning the 14th of February. Ida Simmonds was born in Denmark in 1875 and has resided in this area since 1924.

Funeral services were held at the Truckee Mortuary on Monday the 17th. Her remains were taken to the Tahoe City cemetery where graveside rites were held. The pallbearers were: Jack Dunn, Warren Porter, Ted Gambel, Bill Bechdolt, Jack Starratt, and Mr. Yeager.

Mrs. Simmonds is survived by her son, Arthur Frodenberg of this city and grandchildren, Rusty and Linda Frodenberg, and three grandchildren.

She will be greatly missed by her many friends and all who used to see her taking her walks around Tahoe City. She was a very familiar sight to all and will be remembered as one of the pioneers of our beautiful Lake Tahoe area.

### TAHOE WEATHER

TAHOE CITY—Despite threats and predictions of storms, only light precipitation had been recorded at Tahoe City up until Tuesday evening. Rainfall for Saturday and Sunday totaled .20 of an inch. There were 32 inches of snow on the ground Monday. The lake level stood at 6227.58 with 165 cfs of water leaving the gates, Cooperative Observer Art Frodenberg reported.

## Auxiliary Plans

CRYSTAL BAY—Stella Shaughnessy, District No. 3 president, made her official visit at the regular meeting of V.F.W. Auxiliary No. 7077 at Crystal Bay last Wednesday.

A report on the March of Dimes was given by Polio Chairman Pearl Moore and activities for the balance of the year were also outlined by Mrs. Moore.

A baked food sale will be held April 5 at the Stop N Shop with Pearl Martin, Ruby Clackett, Carol Busby and Barbara Bergman in charge.

National President Ruth Godbey will be guest of honor at a luncheon April 2. Ruth Brooks, Nola Denny and Lelaite Decker were appointed on the decorating committee.

Election of officers for the auxiliary will be held March 26. Members were asked to complete the Nevada State Hospital project by February 26.

Mrs. Shaughnessy reviewed the five-point program of the legislative committee and stressed the national cancer program, and urged all members to attend a meeting of District No. 3 at Fernley on March 2.

Two new members, Pearl Francis and Louise Walters attended their first meeting. At the close of the meeting refreshments were served by Minnie Wawner and Ethel Antonson. Barbara Bergman and Beverly Newell will be hostesses at the social meeting February 26.

## BOYCOTT PROPOSED BY BOBSLED GROUP

A news dispatch from Garmisch, Germany, last week said the International Bobsled Federation warned that it may call for an all-out boycott of the 1960 Winter Olympic Games at Squaw Valley unless a bobsled run is built there and the sport reinstated on the program.

Switzerland's Peter Kasper called Squaw Valley "a settlement in the Indian reservation" and said the International Hockey Federation and Scandinavian countries had indicated they would participate in the bobsledder's boycott.

Olympic rules dictate that each event on the program must have a minimum of 12 nations competing. Prentice Hale, president of the California Olympic Organizing Committee, said that "if the IOC decides in favor of putting bobsleds back on the program, we will build a run."

### TRUCKEE BIBLE SCHOOL

The sweetheart's dinner was enjoyed by all, and our appreciation is extended to Mrs. Kenneth Hedlund and Mrs. Wes Boyer for the attractive decorations in the Valentine motif. Large red hearts with printed Bible verses were placed around the walls. Table were covered with red and white crepe paper decorated with tiny hearts and Valentine nosegays as centerpieces.

The Tuesday women's Bible class enjoyed their usual luncheon on minimum day.

Last Sunday the congregation enjoyed, for the first time, using the new hymnals "Inspiring Hymns." Friday right after school there will be a meeting of the newly formed group, the sub-teens at the W. D. Randall home. Games, singing and time of Bible study will be enjoyed. This will be the first meeting of the K.Y.B. Club (Know Your Bible).

## BILL INTRODUCED TO GET OLYMPIC FUNDS

State Senator Robert I. McCarthy of San Francisco has introduced SPR 6, which would ask congress to appropriate \$4,000,000 for the construction of an ice arena for the 1960 Winter Olympics Games in Squaw Valley. President Dwight Eisenhower has proposed such an appropriation.

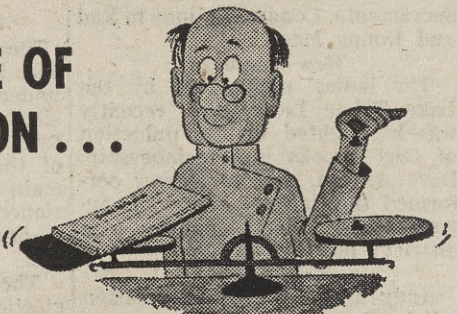

The Great Trough of Death Valley is believed to be older than the Grand Canyon.

## AN OUNCE OF PREVENTION ...

Although it weighs only an ounce or so, a Bank of America checkbook gives you big protection for your money! When you go shopping, you can pay by check—no need to carry cash and run the risk of loss or theft. And when you pay bills by mail with Bank of America checks, your canceled checks provide proof of the payments you've made. Why not open a regular or Tenplan checking account at our bank now?

## NEED EARTH-MONEY?

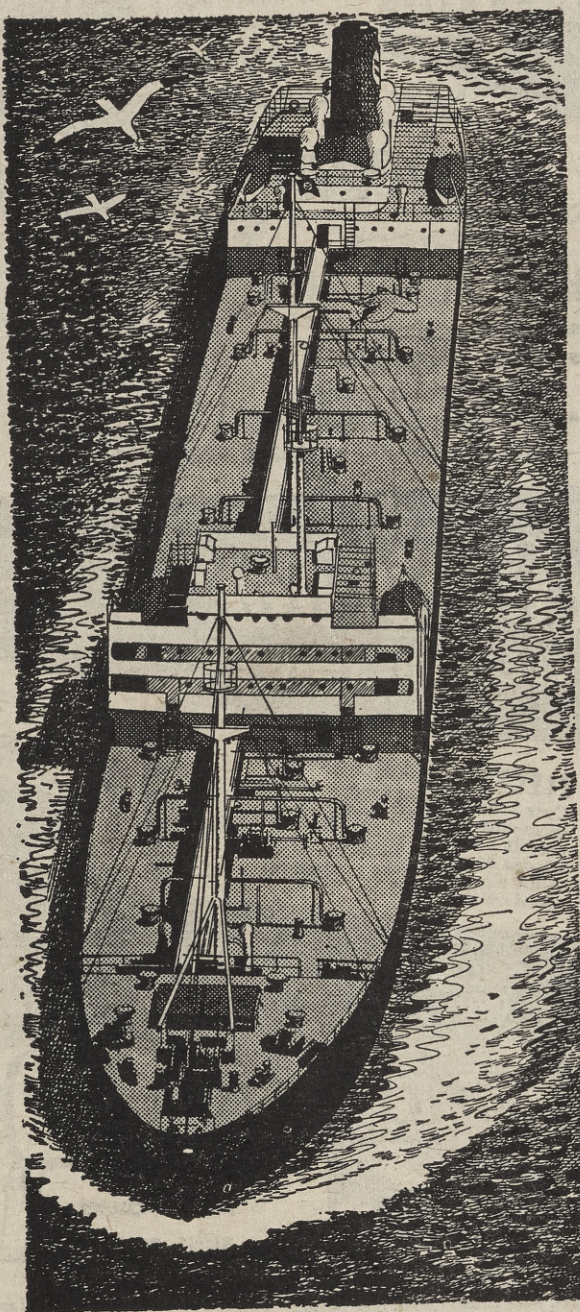

If you need money to repair your vehicle, or to take care of some other unexpected expense—medical bills, for example—consider a Timeplan Personal Loan! Every year some half-a million Californians meet financial emergencies with Bank of America Timeplan Personal Loans, ranging from \$100 to \$2,500. Arrangements are quick and easy, and the cost is reasonable. May we help you?

DID YOU KNOW that you can do much of your banking at our bank by mail? (Addressed envelopes, deposit slips, signature cards, loan application forms, everything you need to bank by mail will be furnished at your request.)

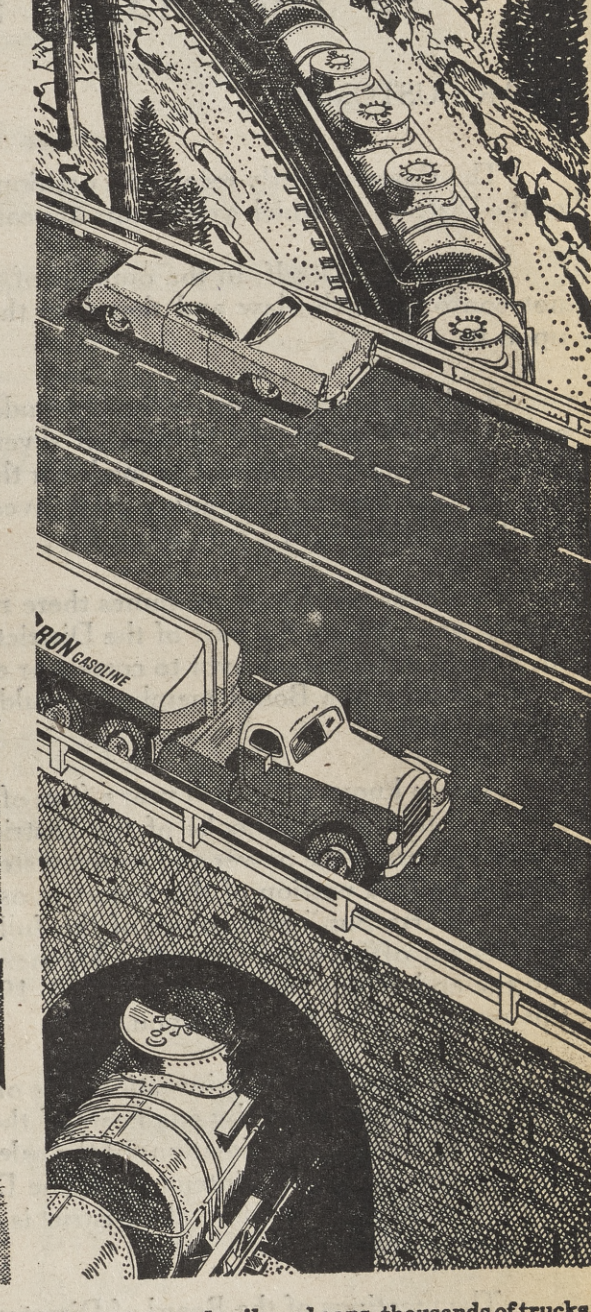

## How Standard's busy transportation system helps hold down prices of petroleum products

Twenty-six Standard Tankers—plus others that we charter—sail the seas to keep crude oil moving to refineries and more than a hundred finished products returning to customers. A supertanker, carries a crew of 40 to 50, can hold enough gasoline to run your car over 10,000 years. On inland waters, tugs, barges and smaller tankers take over the transport job.

Rivers of crude oil and finished products flow through 3364 miles of pipelines that Standard operates in the Western hemisphere. In addition, we pay to send products through pipelines owned by other companies. They in turn use our lines. Through these "steel arteries," oil is pumped over mountains, as high as 9500 feet, under rivers and through deserts.

Miles of leased railroad cars, thousands of trucks, trailers, and semi-tank trucks move our finished products to distribution points, service stations, airports, marine stations, farms, factories and military installations. Standard either operates or leases nearly every form of transportation to keep vital oil supplies moving.

## To California

## a glass of beer is many things

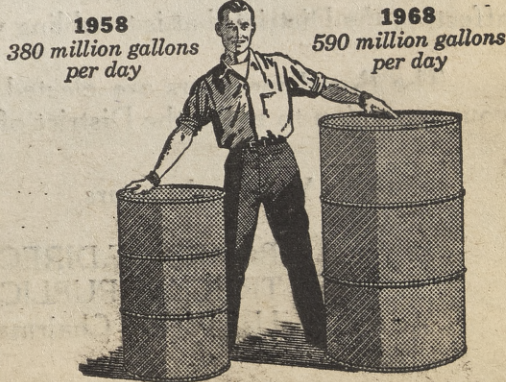

California Street in San Francisco—a scene as familiar to most of us as a light, bright glass of beer. More and more people in California are enjoying beer—it fits in so well with our outdoor living. Beer also contributes a great deal to California's economy. Last year the Brewing Industry paid over \$16 million in California taxes. Our State treasury spent over \$18 million on public health last year. Obviously the Brewing Industry's share of taxes nearly met our public health expenses.

AN OPEN LETTER  
TO SIGNERS OF PETITION

DEAR CUSTOMER:

The Board recently received a petition asking for an investigation of the District, on which your name appeared.

The petition itself, in the opinion of the District's Attorney, did not conform to the law and therefore the Board was unable to act upon it.

Such an investigation is limited under the law to a cost of not over \$2500.00 and in the opinion of several engineers, a satisfactory all inclusive report could not be made for that figure. The Board does not feel that the result of any partial investigation at this time would justify spending such a sum of money.

However, the Board presumes there must have been some action or lack of action on the part of the District which you do not approve of, and, in order to endeavor to correct or explain the District's position in the matter, the Board members would appreciate learning of the circumstance.

As you know, once each year a firm of certified public accountants are hired to audit the books of the District and render a detailed financial report of the power and water systems, covering the past year's operations. A portion of this report is, as required by law, published in the "Sierra Sun" and copies of the full report may be obtained at the District office upon request. The next audit will be made following the end of our fiscal year June 30, 1958 and a complete copy of this report will be furnished you.

In addition, periodic investigations of the condition of the plant of the District are made by engineers of the California Public Utilities Commission and if any violations of the rules and regulations governing the construction and maintenance of the District's system as required by the regulations are found, the District is so informed and corrections are required to be made.

The meetings of the Board of Directors are all open to the public and anyone is welcome to attend and discuss with the members any actions taken by the Board. Constructive criticisms and suggestions are always welcome. The Board meetings are held on the 2nd and last Thursdays of each month at the office of the District at 2:00 p.m.

We sincerely hope you will advise us where you believe the District can improve or better its services to you and the rest of our customers.

If you cannot attend a Board meeting you are invited to write us or personally contact any member of the Board and bring any matter affecting the District that is troubling you to his attention.

The Board members are elected to represent you and welcome your cooperation to make the District of greater service to this area.

Very truly yours,

BOARD OF DIRECTORS  
TRUCKEE PUBLIC UTILITY DISTRICT  
Hal Welch, Chairman

**Weather**  
Saturday a.m. and the weather is beautiful with bright sunshine, temperature at 50 degrees at noon which has made the area a glorious playground for the skiers.

**Lions Club**  
Lions Club benefit of youth card party at Carpenter's Hall on February 14 turned out a happy success. Pinochle, canasta and bridge were the games for the evening, door prizes were given and pies and cakes were sold. President Red Waddell was pleased at the turnout and over \$100 was collected.

**Wedding Bells**  
Donna Mae Speeter, daughter of Mr. and Mrs. Speeter of Carnelian Bay was married to Rod Eighmy at a delightful ceremony at the Wee Kirk O the Pines, Kings Beach, with the Rev. Earl Langguth officiating.

Mrs. Lanugth was at the organ and Virginia and Margaret Speeter were bridesmaids. Stanley Rasmusen was best man, Frank Bear, usher. Following the ceremony a reception was held at Crystal Bay Club.

The happy couple will reside in their new home at Watt avenue, Sacramento. Congratulations to Rod and Donna Mae.

**New Members**  
The ladies' night held by the Lake Tahoe Lions Club recently was highlighted by the induction of Carl Brooks into membership. Dave Ashton, past president, performed the induction. Rev. Langguth showed splendid pictures of a district's meeting of Lions.

**Trip South**  
Andy and Mae Alice Sorensen left for Pasadena by train on a special mission for a few days, a story of which will be told in next issue.

**Hot Party**  
Remember this coming Monday night is the Women's Club hot party at the Crystal Bay Club. It is sure to be a night of fun for the ladies attending.

JEFF SCHMIDT AID  
IN COLLEGE VICTORY

AUBURN—Jeff Schmidt, a graduate of the Tahoe-Truckee High School, is one of the Sierra College

athletes who won a five college ski meet last weekend at the Sugar Bowl and Tunnel Mountain.

Sierra won the meet by a margin of 10 points over the University of Nevada, with Chico State College in third place, Stanford University fourth and San Jose State College fifth.

Schmidt specializes in slalom downhill events.

Sierra will be represented February 13-16 at the annual University of Nevada winter carnival in Reno and at Mt. Rose. Coach Paul Chesney plans four entries, in each event on the program, slalom, downhill, cross country and jumping.

## ORDINANCE NO. 219

ORDINANCE REGULATING VEHICULAR PARKING ON STATE HIGHWAY AT GATEWAY SHOPPING CENTER IN THE COUNTY OF NEVADA, STATE OF CALIFORNIA

The Board of Supervisors of the County of Nevada, State of California, do ordain as follows:

SECTION 1. No vehicle shall be parked for any purpose at any time upon those portions of Emigrant Way, road III-Nev-37-D, described as follows, to wit:

(a) The north curb line of said Emigrant Way from a point northerly of Engineer's Station 13-54.5 and running thence easterly for twenty-five feet (25').

(b) The north curb line of said Emigrant Way from a point northerly of Engineer's Station 16-50 and running thence twenty-five feet (25').

SECTION 2. Any provision of this Ordinance which regulates traffic or delegates the regulation of traffic upon state highways in any way for which the approval of the Department of Public Works is required by state law, shall cease to be operative six months after receipt by the Board of Supervisors of written notice of withdrawal of approval of the Department of Public Works.

Whenever this Ordinance delegates authority to a county officer, or authorizes action by the Board of Supervisors to regulate traffic

upon a state highway in any way which by state law requires the prior approval of the Department of Public Works, no such officer shall exercise such authority nor shall such action by the Board of Supervisors be effective with respect to any state highway without the prior approval in writing of the Department of Public Works when and to the extent required by Division 9 and Division 11 of the Vehicle Code.

SECTION 3. This Ordinance shall go into effect thirty (30) days after the date of its adoption and, before the expiration of fifteen (15) days after its passage, shall be published once with the names of the Supervisors voting for and against the same in the Sierra Sun and Truckee Republican, a news-

paper of general circulation published in the County of Nevada.

ADOPTED AND PASSED by the Board of Supervisors of the County of Nevada, State of California, on the 13th day of February, 1958, by the following vote:

AYES: Supervisors Smart, Bishop, Coughlan, Robinson and Loehr.

NOES: Supervisors, none.  
Absent: Supervisors, none.

**SPEED CONTINUES TO HEAD VIOLATIONS**

Excessive speed continues to lead the list of traffic violations noted in traffic accidents, according to information released today by the California Highway Patrol. "During 1957, over half the speed violations noted in injury and fatal traffic accidents were charged to speed too fast for conditions," declared Patrol Commissioner B. R. Caldwell. "This is evidence that far too many drivers fail to adjust the speed of their vehicles to the weather and traffic conditions."

"Each month an average of over 7000 injury and fatal traffic accidents is reported to the patrol," Caldwell stated. "Of these, 1250 or 17 percent, are charged to drivers exceeding the safe speed; another 935, or 13 percent, are the result of drivers exceeding stated limits."

"This situation can be remedied," the commissioner emphasized. "Recognition of hazardous conditions such as adverse weather, slippery roadways, heavy traffic, mountain roads, particularly in the winter months, and general alertness to posted speed zones with

You are hereby directed to appear and answer the complaint in an action entitled as above, brought against you in the Superior Court of the County of Nevada, State of California, within ten days after the service on you of this summons—if served within this county; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiff will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand and the seal of the Superior Court of the County of Nevada, State of California, this 24th day of January, A. D. 1958.

**NOTICE OF GOVERNING BOARD MEMBER ELECTION AND COUNTY BOARD OF EDUCATION ELECTION**

One member of Sierra College Junior College District.  
 One member of Tahoe-Truckee Unified School District.

Two members of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICT OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Friday of May, namely, May 20, 1958, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at: PRECINCT No. 1—Donner Trail School.

PRECINCT No. 2—Kings Beach School.

PRECINCT No. 3—Tahoe Lake School.

PRECINCT No. 4—U.S. Post Office, Floriston.

PRECINCT No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7 o'clock A.M. and 7 o'clock P.M.

The election returns will be canvassed at 10 A.M. o'clock on June 2, 1958, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of absentee ballots is May 29, 1958.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, 138 Maple Street, Auburn, California. The last day for filing declarations is April 18, 1958. February 9, 1958.

ALBERT F. BEQUETTE, County Superintendent of Schools.

All qualified voters of the school districts who were registered at least 54 days before the election in the (general election) precinct in which this election is held may vote thereat.

An accompanying reduction in speed to a safe limit will help control this problem.

"Avoid following the car ahead too closely and always be prepared to stop within the safe distance ahead of your car," he concluded. "Making this type of driving a habit rather than the exception will do the job."

**PATROL WINS FIRST PERSONNEL BOUT**

SACRAMENTO (CNS) — The California Highway Patrol has won the first round in the annual battle of some legislators to reduce the number of new patrolmen to be added to the force.

This year the governor's budget provides for 240 new patrol officers

and 24 sergeants. A subcommittee of assembly ways and means committee rejected a move by Assemblyman Thomas Rees (D-Beverly Hills), to have the number and voted to allow the whole amount. The matter now goes to the full ways and means group.

Legislative Analyst A. Alan Post had recommended against the addition of any new officers.

a resident of Tahoe for many years and was well known throughout the area.

Rev. Earl Langguth of Kings Beach officiated at the rites and Mrs. Arthur Kehm was the organist.

The deceased is survived by his wife Mrs. Agnes Marie Ball of Tahoe City and a sister, Mrs. Ruth McIntyre of Georgia.

Pall bearers at the service, at which Rev. Earl Langguth officiated were Robert Tonini, William Campbell, William Becholdt, Tom Quinn, Donald Painter and William Connors.

**Glenn Greene**

Glenn Greene, 61, who managed Tahoe Tavern during the seasons of 1945 and 1946, and was widely and favorably known throughout this region, succumbed to a heart disease from which he had suffered for the past year, at Hayward early Wednesday.

Funeral services will be held Saturday at Riverside but the family has asked that instead of flowers, donations be made to the Heart Foundation.

Greene was a native of California and at one time supervised the famous Rose Parade at Pasadena, among other outstanding positions he had held. Although no relative, he was a close personal friend of Matt Green, now of Sacramento

**COMEDY, THRILLS, DRAMA AT THEATER**

James McArthur, Kim Hunter and James Daly lead this week's program at Donner Theater in The Young Stranger—a story of a good kid from a good family who has everything money can buy but a father too busy to really know him or believe him when he needs him most.

Jerry Lewis as the Sad Sack is featured Friday and Saturday. Jerry is a sergeant's dilemma, a captain's nightmare and a general riot is his most hilarious role.

The Story of Esther Costello, starring Joan Crawford and Rossano Brazzi, a gripping drama, will be shown Sunday and Monday and a thriller, The Curse of Frankenstein, a new concept in horror pictures, will end the week's bill Tuesday and Wednesday.

**Family Party—**

A dinner party marked the birthday, February 13, of Mrs. Harold Langille when Mr. and Mrs. Robert Leamon and children and Mr. and Mrs. James Leamon and son, Jim, of Tahoe Valley joined Mr. and Mrs. Langille in the family observance.

but formerly manager of Tahoe Tavern.

The deceased is survived by his wife, Ruth, and two daughters, Mrs. Virginia Hannon of Bakersfield and Mrs. Portia McDonald of Hayward.

Tigers napping and paved the way for a 73-56 win. Douglas led in the first quarter 12-12; but after that trailed the Wolverines, 29-25, at the half and 49-38 in the third frame.

Hans Boeving was again the giant in the Douglas lineup as he racked up 26 points.

**20 For Vaughan**

Ken Vaughan, sensational Wolverine forward, had an impressive 20 points, he was followed by Berger Nelson with 15. Both Nelson and Cooper played a fine game on the backboards for the Wolverines.

Turning to the J.V. scores, Winemucca slapped the Wolverine "Cubs" a 53-24 loss; while Friday Douglas J.V. followed in suit with a 40-28 win over the lowly "Cubs" also.

Sam Medford was high both nights with nine and 11 respectively.

Tomorrow the Wolverines play the end of their 57-58 schedule against the Manogue Miners, who recently are leading the "A" division with a record of 9-1, and then travel to Stewart to play the cellar-dwelling Stewart Braves. After this week the varsity travels to Reno to compete in the annual zone tournament held in the University of Nevada gym. As of right now the Wolverines' first opponents look like the Douglas Tigers.

**School Board**

of the district to include a portion of El Dorado County, but no action was taken by the board.

C. Edmunds, manager of the Truckee Public Utility District, appeared before the board in an effort to have the school retain title to 30 acres of land now under condemnation by the division of highways, for use as part of a proposed public park. The board decided that no action could be taken until after the condemnation is complete, since it might confuse the issue.

**Crossing Illegal**

Corbin advised the board that his investigation of the possibilities of the school providing a crosswalk for use by the children at Floriston to cross the S.P. tracks revealed this was illegal.

Superintendent Corbin reported that the state department of education has given approval to building plans for the new Truckee elementary and Tahoe Lake elementary schools.

The plans call for 13 classrooms, kindergarten, administration office, a multi-use room and kitchen for the Truckee elementary; eight classrooms, administration and multi-use and kitchen at Tahoe Lake school; nine classrooms, multi-use room, graphic arts and shop wing addition at the Tahoe-Truckee High School.

**Start Soon**

The three projects, Corbin advised the board are now in the hands of the architects and will be ready to advertise for bids by March.

The resignation of Mrs. Olia Tiffie, teacher at the Truckee elementary school, was accepted and Corbin was instructed to write Mrs. Tiffie thanking her for her years of service and expressing the appreciation of the board.

Attorneys Robert Schiffner, Lynn Kelly and Mrs. Kelly all of Grass Valley were Tuesday business visitors here.

**BUSY TIME FEATURES MEETING OF DANCERS**

The Donner Dancers combined Valentine's Day, a potluck dinner, a welcoming shower for a prospective member, and a large guest list to provide a most successful square dance last Friday evening.

Kenneth Patterson, son of John and Claire Patterson, attended his first square dance at the age of four weeks and was rewarded with a large number of gifts.

Five couples from Reno Sashay-ers traveled up the canyon to share in the Valentine's Day fun and potluck supper. They were Phyllis Royle, Primo Bugica, Mr. and Mrs. Carl Estridge, Mr. and Mrs. F. L. Everett, Mr. and Mrs. Wally Byassee, and Tom and Henrietta Zeme, Harry and Betty Causey and Irene Fair of Truckee completed the guest list.

On Saturday night six couples from the Donner Dancers visited the third anniversary dance of the Squaredancers in Sacramento where they met many old friends from Sacramento Valley and bay area clubs.

Walt and Eva Lynn Pope, John and Sophie Levr, Lloyd and Virginia Everett, Wilbur and Ava Glenn, Darol and Marian McGilhon, and Carroll and Winnie Maynard were the members of the local group who made the trip and are entitled to cut another notch in their Knothead pins.

along the freeway. He said that while this had been permitted along state highways in the past, that under the federal plan, such businesses will not be allowed. He added that in instances where such establishments now existed plans were being made to eliminate them to comply with federal regulations.

Senator Johnson explained that legislation was pending to provide counties with additional finances for snow removal and maintenance after the current route of Highway 40 is turned over to them. He also indicated that the Brockway shortcut might possibly be taken into the state system after presently planned improvements in both Nevada and Placer County are completed. N. F. Dolley, chamber president, presided at the meet.
